Random House Australia, 2011

The second novel from the author of the bestselling *Loaded* and *The Slap* *The Jesus Man* tells the story of three brothers, Dominic, Tommy and Louie, who come from a Greek-Italian family haunted by its history. When Tommy is made redundant from work and can't find another job, he finds the voices in his head becoming louder and louder as he sinks inexorably into pornography, violence and madness. Tommy snaps and murders someone who may or may not be a serial sex killer of children, and then castrates and kills himself, leaving his family numb with grief and incomprehension and at the mercy of the ensuing media feeding frenzy. *The Jesus Man* is told from the point of view of Louie, the youngest brother, who is struggling to make sense of Tommy's death and the kind of world in which such tragedies are commonplace. Written with the remorseless, page-turning urgency of a thriller, *The Jesus Man* is an uncompromising and timely examination of the hell that is life for many people; a soulless void in which pornography takes the place of love, television the place of human contact and where individual worth has been superseded by economic rationalism. Counterpointing this unremittingly bleak vision is the sweet humanity and optimism of Louie, one of the great characters of contemporary literature, who looks within himself to find a place beyond the casual horror and mundanity of everyday life. It is his sense of hope for the future that shines through *The Jesus Man*, and that fact that we as readers believe in his optimism and are intensely uplifted by the book's final powerful message confirms Christos Tsiolkas as one of our finest and most original writers.
